INTRODUCTION

Yeshwant Mahavidyalaya, Wardha organized one day Student Induction Program 'You, Me & Yeshwant ' for the fresh entrants to B. A. , B. Sc. (Home Science), LLB and LLM as per the guidelines of UGC. The objective of this program was to acclimatize the students to the new environment and get them acquainted with the institutional culture. The induction program comprised of interesting activities like motivational speeches, introduction of faculty and respective departments, interaction with senior students, cultural activities and expert lectures. The idea of induction program was to ensure a smooth transition for the students into the college system.

A total of 332 students participated in this program which was conducted on 27th August 2019. The following report includes the schedule and brief notes on the various events conducted as part of the induction program.

OBJECTIVES OF PROGRAMME

The objectives of the programme is to make the students feel comfortable in their new environment, open them up, set a healthy daily routine, create bonding in the batch as well as between faculty and senior students, develop awareness, sensitivity and understanding of the self, people around them, society at large, and nature. The following are some major objectives of the programme:

- To provide information about the college culture
- To make them aware with various activities organized by college/ institution
- To give emphasis on the overall development of students
- To provide information about different cells of the college.
