Student Guidance Careers and Counselling Committee

The aim of Guidance and Counselling cell is to provide comprehensive guidance programs and services that will equip students with necessary knowledge, attitude and skills to become mature and socially responsible individuals. It aims to promote a just and humane society.

This is the Motto of the Guidance & Counselling cell which functions as a part of Student Support Service (SSS) for student retention. Apart from this, it helps the students to overcome class, social, and cultural barriers to complete their college education. The Guidance and Counselling Committee is looked after by a teaching faculty.

Activities and objective:

1. To organize mentorship programs for college students to get job opportunities in various fields.
2. To convene the college to call to guide eminent persons in various fields.
3. To guide students to solve various problems (regarding employment)
4. To create the availability of various resources in the context of employment for students.
5. Apart from this, the ones who are financially weak are helped with the following activities
 - a. Guiding for financial assistance from banks
 - b. Getting a scholarship for students through various organizations

ANNEXURE 1 - Learning Companions Culture

Purpose

This document will help us to keep the purpose of our work in the center and align on actions towards our shared dreams.

Learning Companions' culture is a manifestation of 4 core commitments and 6 values that define what we believe in. We expect our people to understand these commitments and values in order to create a safe and nurturing environment for each other and to maintain the unity and integrity of our community.

A. Core commitments

These four commitments are our core (Please carefully read what these commitments mean particularly in our context. It can be misleading as we have adopted these terminologies from other places, however, our interpretation can be very different and adapted to our context.

1. Commitment to Personal Transformation:

I will work to understand & continuously stay connected with 'why am I doing what I am doing'. Continuously evolving my 'big why'. Continuously connecting what I am doing everyday with my 'big why'.

2. Commitment to collective action:

I will align my plans and actions to the priorities of other stakeholders. **I will understand how the ownership of more individuals changes the scale of achievement and impact, and accordingly focus on building more resources and ownership behind my goals.** For every task I expect from any stakeholder, make a moment-to-moment analysis of their clarity, confidence, motivation (CCM). Take actions/provide support accordingly. Seek help if I need support for assessment and support strategy.

3. Commitment for education equity:

Leveraging opportunities to understand best pedagogical practices, stages of development and realities and needs of my students. Planning & executing best learning experiences for my people at different levels using collectively set standards of best learning experiences. Reflect on how my approach is enabling

4. Commitment to excellence and accountability:

Being a leader, no matter whose task it is, the responsibility is always mine if I am connected to that task. I will be continuously aware of my tasks, deadlines and quality standards. When I am stuck for any reason (external factors, my skills or motivation), **I will share and I will seek help.**

B. Learning Companions values

Yeshwant Mahavidyalaya, Wardha

1. Collective Consciousness -

One line - I will constantly reflect on my actions and also use the collective space for the same

Definition - We are aware that not every useful lesson, principle or rule can always be remembered at the right time or understood at once and followed. Also there will always be some new realizations and lessons. Hence I will reflect on my actions and also use the collective space for the same in perspective of the goals that I am committed to

2. Ownership of learning -

One line - I will be proactive about what I need to learn and how I can learn

Definition - We are aware that we live in the time when we do not need to wait for limited spaces for what we need to learn. We analyze what we need to learn, explore on our own the possible opportunities and mediums of learning and learn by assessing our progress with the yardstick of our intended goals

3. Interdependence -

One line - My actions have impact on the lives of others

Definition - We are aware that we can progress only by working with each other. Hence, we will reflect on how each of our actions impact others and accordingly keep our commitments of quality and time.

4. Sense of possibility -

One line - There is always a solution

Definition - We set bold, ambitious goals and expectations in order to meet our vision. We approach our work and new ideas with openness and optimism.

5. Excellence

One line - Everything I create should be worth my time and our collective resources

Definition - We don't compare ourselves to the alternative, but set an urgent and ambitious bar that we keep pushing higher.

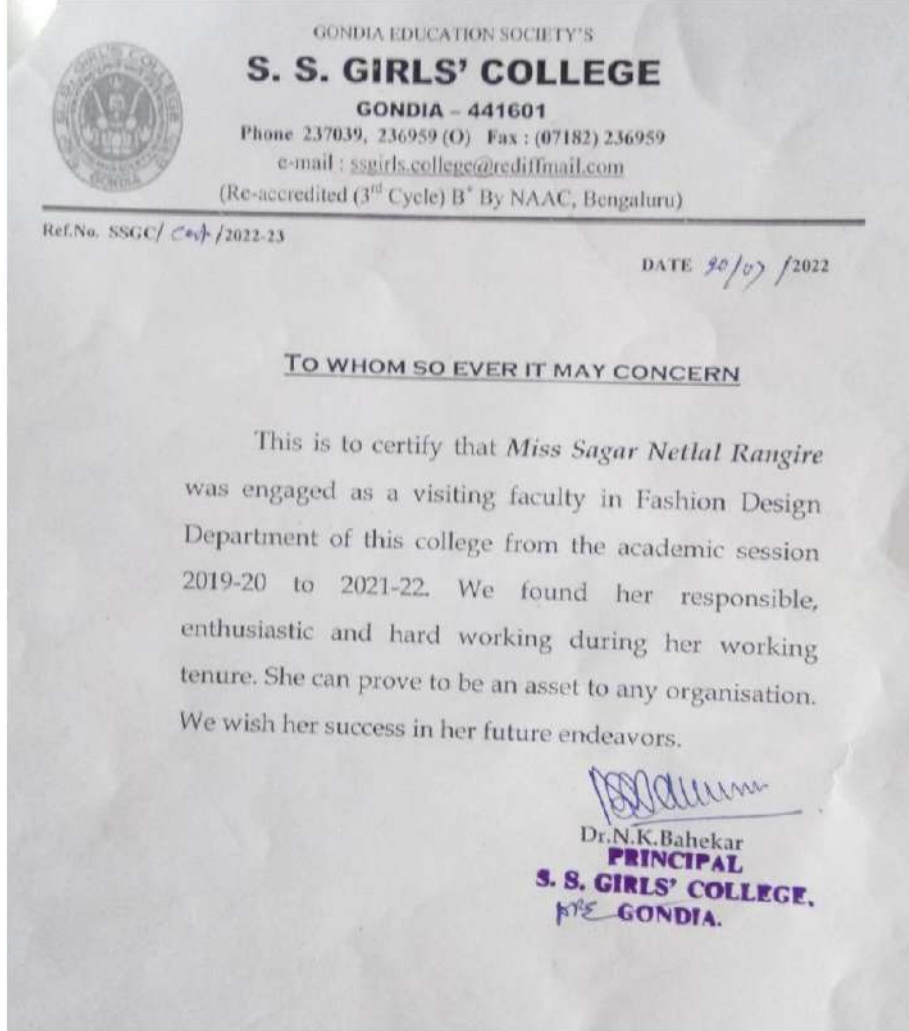

6. Love

One line - We all make mistakes and rise out of them, we will be gentle to each other

Definition - We care deeply about what we do and treat others with empathy, respect, compassion and gratitude. We keep children at the center of everything we do and do whatever it takes for them.
