#### About College :

Yeshwant Mahavidyalaya Wardha established in 1960 under the chairmanship of late shri. Bapuraoji Deshmukh and its run by a Yeshwant Gramin Shikshan Sanstha wardha. It is affiliated to R. T. M. Nagpur University, Nagpur and offers undergraduate and postgraduate courses in Humanities, law and Home science. It has been re-accredited by NAAC at B<sup>++</sup> grade in the third cycle. The vision of college is to provide excellent academic orientation to the learner coming from rural area.

#### About Department :

The Department of Economics was established in 1960 along with the establishment of the college. Department offers UG and Postgraduate courses. The department deals with various academic activities with a perspective of creating employment and self-employment opportunities. The department frequently organizes seminars and study tours for the overall development of students. The department has a long tradition of meritorious students every year in university exams.

#### About conference :

COVID-19 is a watershed event of our era. It has caused widespread devastation of life and livelihood and it is still haunting the global economy in several ways. Indian economy is also affected in many ways. Every sector of the economy has been suffered and people lose their jobs, the impact of Covid-19 has been severe. But there's still hope and opportunities. Governments, private players and other agencies have joined hands against this pandemic to show solidarity. Though it is a crisis that is causing great harm to people as well as companies, on the other hand, it is important for us to look at the hidden opportunities here. One constructive way we can fight this is if we focus on how covid 19 is creating opportunities, instead of the havoc it wreaks.

This webinar will discuss the challenges and opportunities of the covid-19 for the Indian economy.
